

Our Director of Music, Nina Ricci, is responsible for overseeing the selection of music at all weddings at Saint Kateri. She is available to assist you in planning the music for your wedding and to arrange for any additional musicians you may need. (Please note that additional musicians will incur a fee to be determined by the instrumentalist). It is the Music Director's responsibility to ensure that all music you choose is appropriate and liturgically correct. Nina serves as the vocalist for all weddings. Saint Kateri Church also has a highly competent, professional organist who accompanies all weddings.

If you have a relative or friend who is a trained organist and / or vocalist and is familiar with the format of a Catholic wedding liturgy or ceremony, you may invite that person to serve as the performing organist and / or vocalist at your wedding. However, the fees due to our organist and vocalist are still applied. Our organist and vocalist have the right of first refusal for all weddings.

Please contact Nina at the number or email address listed below or through our music website. Our music ministry website, www.Saintkaterimusic.org is an invaluable resource in helping you choose music.
